Explained when the GRC meets again, they will incorporate the new CoC Bonus and DV Bonus projects and rank them. • Mike Jones – Explained 10% of the ARD is in Tier 2, which is not guaranteed funding by HUD. Also explained straddling tiers. • Paul Fournier – Asked if the amounts at the top (Tier 1 and Tier 2 amounts) have been settled for us. • Scott Neeri – Yes, this was determined by the ARD provided by HUD. • Paul Fournier – Asked if all of the numbers reported by the agencies have been checked and double-checked. • Scott Neeri – Some are self-reported by the agencies through the LOI. • Mike Jones – Noting the recent conversations at the ICH meeting and regional meetings about the Coordinated Entry System, asked is there a way to get some data confirming the agencies are using the CES as statute requires. • Scott Neeri – Confirmed OHS will provide the committee with this information. • Paul Fournier – Asked are there any audits performed on any of the systems or information reported by agencies. • Mike Jones – Said it is the responsibility of the local CoC to assure that everybody is doing what they should be doing.
