		No presentations were made.

DISCUSSION	PRESENTER	ACTION/OUTCOME

Approve the CES Policies	Sharon Green, Chair	The Chair opened discussion on approving the CES Policies.
		
		• Sharon Green – stated she thinks the Committee did an amazing job of dissecting and putting policies back together to make sure each area was covered.
		• Sharon Green – opened for motion to approve and any discussion
		  – Asked Committee to go back and review, specifically pages 10 and 15 (Committee's potion starts)
		  – Mentioned a lot of detail was added to ensure there are no discrepancies about what is supposed to be happening with the CES and outreach.
		  – Stated a portion/piece about complaints was added, which includes an element that when there is a complaint for instance from the high desert region, Sharon Green being from the high desert will not participate so that it is a fair process, with no preferential treatment or bias to ensure the complaint is taken seriously as it impacts the county and people being served.
		  – Shared that before starting this process, there were several complaints, specifically one about her, and how it went to the appropriate agency and had to go through a process of answering questions to resident and Federal Business Bureau.
		• William Lamas – mentioned it was a huge process to review and assess previous policies
		• Sharon Green – provided opportunity for comments after motion of approval.
		  – Kameron Grosvenor – mentioned she thinks they have a good working document and excited to see implementation of it, and getting all different agencies on board and ensure they are following it
		  – William Lamas – agreed with Kameron Grosvenor and stated this is a living document so as CoC grows and with different changes from the State/Federal there will be an opportunity to review and will be reviewing regularly
		  – Aziza Manual - mentioned her goal is to eliminate barriers that providers have with not understanding the process, and if providers feel supported by having ISCUW 211+ available, the barriers can be eliminated; stated ISCUW 211+ is here to support the providers through this process especially with matchmaker process and new CE Agency program; empower providers to reach out for support.
		  – Gail Maddox - stated is also excited and is next steps of serving population in need.
		  – Ruben Mendoza – no comments right now only because has not taken the time to review the policy in its entirety, just happy will improve alignment of public and private sectors.
		  – Melanie Gonzalez Ganceda – shared the policies will go to ICH at the next meeting and posted on the San Bernardino County Homeless Partnership (SBCHP) website; stated following all of this, OHS and ISCUW 211+ will be collaborating to provide training on the CES concepts and policies by having one larger-scale virtual training in November, but still in planning process and agencies will still have opportunity to request this training individually in-person or virtual
		
		A motion was made by William Lamas seconded by Astrid Johnson.
		
		• 2 members were in favor: Sharon Green, Kameron Grosvenor
		• 0 members were opposed.
		• Absent: David Rabindranath, Susan Buckley (Sue Walker – alt.), Mike Jones
		
		The motion was approved.

Discuss the formation of a new Ad-Hoc Committee to evaluate regulatory compliance from participating agencies	Sharon Green, Chair	The Chair opened discussion on forming an Ad-Hoc Committee to evaluate regulatory compliance from participating agencies.

The Chair opened discussion on forming an Ad-Hoc Committee to evaluate regulatory compliance from participating agencies.

- Sharon Green – mentioned as Chair of Homeless Provider Network (HPN) has positioned themselves as taking money away, but don't really check what is going on in the field and so this Ad-Hoc Committee is really to evaluate what is happening with the providers
  - Mentioned this effort would hold agencies accountable and gives training when training is needed, and when reports are received that one is going out and investigating.
  - Stated it is time for providers to step up and make sure everyone is effective.
- Sharon Green - Requested to start with discussion of participating agencies that should be on this Ad-Hoc.
  - Kameron Grosvenor – asked if would just be looking at coordinated entry matters or confused on scope of work of Ad-Hoc.
  - Sharon Green – responded this Ad-Hoc is making sure everyone is accountable for excellence and ensured providers are structured properly that if there is a problem, the Ad-Hoc will help navigate to make sure provider is effectively providing services and housing; will be reviewing not only CES, but also outreach
  - William Lamas – stated will just be an assessment of organizations using CES and providing outreach to ensure they are providing the services they are intended to provide as this discussion came from HHAP recipients and questioning their services and responsibilities; this will be a review of programs that are funded.
  - Sharon Green – stated this review will help providers prepare for the monitoring and evaluations were money is being discussed or removed.
  - Kameron Grosvenor – mentioned being qualified to monitor on coordinated entry, but concerned about monitoring other agencies as she does not know enough about Permanent Supportive Housing (PSH) so would not feel comfortable going out to assess PSH as this would be something OHS may do and wants to ensure the Ad-Hoc does not overstep their bounds more than they are ready to.
  - Aziza Manual – stated that supporting OHS in monitoring of agencies for compliance of CES is maybe where the CES Committee, Ad-Hoc, or ISCUW 211+ can come in; may have to be as gentle with providers as this is a new process and offering help rather than just stating repercussion.
  - Astrid Johnson – shared she has felt Morongo Basin does not really know what is going on with the rest of the county unless she attends a meeting; has felt there needs to be netter communication amongst everyone and suggests finding those that have an outstanding program (smaller non-profits) and looking at their best practices and use them as a model.
  - Sharon Green – stated this Ad-Hoc should be built with people that can give standards and examples of effectiveness for providers before applying for funding and providing services.
  - Sharon Green – stated will be taking this recommendation of establishing an Ad-Hoc to the ICH.
  - William Lamas – recommends first assessing what the Ad-Hoc can be, such as how many/recommendations of which individuals to be on Ad-Hoc and standards of goals (scope of work), and bring this back to the next CES Committee meeting; confirmed Ad-Hoc would provide progress of providers to CES Committee.
  - Sharon Green – confirmed placing the information of what individuals to be in the Ad-Hoc and their scope of work/responsibilities on the next CES meeting agenda, if everyone approves.
- Sharon Green – asked if OHS can help put standards together and if providers will be included in Ad-Hoc.

		– Melanie Gonzalez Ganceda – responded that it is up to the CES Committee if they would like providers included in the Ad-Hoc. – Kameron Grosvenor – anticipates meeting with OHS and ISCUW 211+ to discuss what individuals include and standards to brainstorm before the next CES Committee meeting; suggests for Ad-Hoc to include maybe one/two representatives from CES Committee, ICH, ISCUW 211+, outreach component (Mike Jones), and OHS (Melanie Gonzalez Ganceda). – Sharon Green – requested Marcus Dillard's opinion on this. – Marcus Dillard – informed OHS started the best practices based on community meetings that have been held; loves idea of having an Ad-Hoc to support the providers needs, but need to make sure we are following the standards based on the funding to provide good advice; this can be accomplished by having a collaboration between OHS and this Ad-Hoc. – Sharon Green – recommends in moving this discussion to the next CES meeting agenda. A motion was made by William Llamas seconded by Astrid Johnson. • 2 members were in favor: Sharon Green, Kameron Grosvenor • 0 members were opposed. • Absent: David Rabindranath, Susan Buckley (Sue Walker – alt.), Mike Jones The motion was approved.
Set the date, time, and location for the next CES meeting	Sharon Green, Chair	The Chair recommended the Committee meet on January 9, 2025 at same time. • William Lamas – asked if the there is a location established. – Melanie Gonzalez Ganceda – asked Committee if they are ok with current location; Committee agreed and informed it can be set. – Kameron Grosvenor – agrees current location works now that they know where it is at. – Astrid Johnson – mentioned current location was just difficult to find, but same time works. A motion was made by Sharon Green and seconded by Kameron Grosvenor. • 2 members were in favor: William Lamas, Astrid Johnson • 0 members were opposed. • Absent: David Rabindranath, Susan Buckley (Sue Walker – alt.), Mike Jones The motion was approved.

COMMITTEE ROUNDTABLE	PRESENTER	
Adjournment		The Chair opened the floor for roundtable. • Sharon Green – informed at next meeting will also have calendar for 2025 and will not meet until next year. • Aziza Manual – informed hopefully at next meeting with have a date for care coordination meeting, which will start in 2025. • Sharon Green – adjourned meeting. Being no further business, the meeting was adjourned at 11:16 a.m.
Next Meeting		The next Outreach and CES Meeting will be held on: Thursday January 9, 2025 Location TBD
