**CA-609 San Bernardino City and County Continuum of Care
Membership Application Instructions**

Thank you for your interest in participating in the CA-609 San Bernardino City and County Continuum of Care (CoC). The CoC is a regional or local planning body that coordinates housing and service funding for homeless families and individuals. The CoC is designed to promote a community-wide commitment to the goal of ending homelessness and to provide funding for efforts by non-profit providers, states, and local governments.

The CoC is made up of designated representatives of a “relevant organization”, as defined below. Relevant organizations and individuals within San Bernardino County may apply to be considered for membership in the U.S. Department of Housing and Urban Development (HUD) designated CA-609 San Bernardino City and County CoC.

Membership Eligibility. Section 578.5 of Title 24 of the Federal Regulations defines “relevant organizations” as including, “nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, businesses, advocates, public housing authorities, school districts, social service providers, mental health agencies, hospitals, universities, affordable housing developers, law enforcement, organizations that serve veterans and homeless and formerly homeless individuals.

Applicants must designate one representative on their application to vote on behalf of their organization. If they are unable to attend a CoC meeting, a voting representative from an organization may authorize another individual from their organization to be their alternate. A roster of voting representatives is maintained and updated at least annually.

CoC Member Duties Include:

- (1) Attend meetings of the full CoC membership, with published agendas, at least twice a year;
- (2) Adopt and follow a written process to select a board to act on behalf of the CoC, which process must be reviewed, updated, and approved by the CoC at least once every 5 years;
- (3) Appoint additional committees, subcommittees, or workgroups;
- (4) In consultation with the collaborative applicant and the HMIS Lead, develop, follow, and update annually a governance charter, which will include all procedures and policies needed to comply with HMIS requirements as prescribed by HUD; and a code of conduct and recusal process for the board, its chair(s), and any person acting on behalf of the board.

Re: Request for Reallocation of HHAP-3 Funds

Dear Ms. Ulibarri

The City of San Bernardino is grateful for the opportunity to partner with the County in addressing the critical issue of homelessness through the Homeless Housing, Assistance, and Prevention (HHAP) Round 3 grant. The City appreciates the award of \$808,358.87 to support our efforts in establishing a permanent navigation center to assist unhoused men and women in our community.

After careful consideration and assessment of the City's current needs, we respectfully request a reallocation of the HHAP 3 funds from interim shelter operating subsidies to predevelopment and construction costs for the SB H.O.P.E. (Homeless, Outreach, Prevention & Education) Campus/navigation and recuperative care center. This adjustment will allow the City to allocate funds more effectively towards establishing a robust and sustainable, non-congregate, low-barrier, service-enriched shelter, expected to be completed by July 2025.

By redirecting the HHAP 3 funds towards predevelopment and development/construction costs the City can effectively complete the navigation center, providing comprehensive services and support to individuals experiencing homelessness.

Should you require any additional information or documentation, please do not hesitate to contact us. We look forward to continuing our partnership with the County of San Bernardino in our shared mission to reduce and end homelessness in our communities.

Sincerely,

Cassandra Searcy
