	PRESENTER	PRESENTATIONS
E. Receive a presentation from San Bernardino Council of Governments (SBCOG) on the Homeless Strategic Planning project.	Monique Arellano	SBCOG provided an overview of the countywide Homeless Strategic Planning project, which includes all San Bernardino County cities. The project began with extensive engagement of City Managers and policymakers across four sub-regions (West Valley, East Valley, High Desert, Morongo Basin) to identify priorities. Homelessness emerged as the top concern in 21 of 25 agencies. SBCOG also reviewed models and funding approaches from other regional councils of government. Charles outlined the four-task framework: • Task 1: Establish governance and project infrastructure. • Task 2 (current stage): Develop a shared understanding of local homelessness conditions. A draft of the countywide homelessness snapshot is now under review. • Task 3: Build a coordinated regional strategy informed by stakeholder input, including funding, services, programs, and regional goals. • Task 4: Provide tools and guidance for implementation. The full plan will extend through 2028 and include a 30-day public review period. During discussion, members raised questions about cross-agency silos, funding alignment, inclusion of people with lived experience, university partnerships, and recognition of agencies participating in the process. SBCOG staff emphasized their intent to build on existing work, collaborate locally, and strengthen communication between cities, the county, and service

		providers. They expressed interest in incorporating broader funding data, including private and faith-based investments, and welcomed partnership opportunities. SBCOG noted that information is shared through a steering committee composed of frontline city and county staff, as well as City Managers, the SBCOG Board, and now the CoC Steering Committee. The CoC Regional Steering Committee also noted that cities have become more engaged in providing updates on their homeless initiatives over the past two years.
F. Approve formation of an ad hoc subcommittee and appointment of subcommittee members consisting of less than a quorum of the members of the Committee to review the CoC Strategic Plan and develop recommended implementation / action steps for Central Valley for the fiscal period of 2026-2027, for presentation to the Committee.	Mark Nuaimi	The Chair introduced the next agenda item and proposed forming an Ad-Hoc Subcommittee of 3–5 RSC members to develop recommended implementation steps for the Central Valley Region. These recommendations would be based on the CoC Regional Action Plan on Homelessness, considering that it has several recommendations for the Central Region. The subcommittee would meet regularly, potentially one hour before RSC meetings, and report monthly on strategic planning aligned with the five regional goals: permanent and affordable housing, coordination, shelter and services, prevention and diversion, and data and performance. During discussion, members expressed the importance of including both Steering Committee members and local service providers. Consensus was reached on forming a 5-member subcommittee. It was also recommended that the group include a city representative familiar with local housing processes. Jonathan from the City of Fontana was suggested, and a faith-based representative was also recommended. The Chair explained that the Ad-Hoc Subcommittee would outline proposed actions, timelines, and the structure of any additional subcommittees needed to address the five goals. Volunteers for the subcommittee were: 1. ZaZette Scott 2. Prince Ogidikpe 3. Johnathan Hernandez The Chair requested that these three members meet to identify any skill gaps related to the five goal areas so they can recruit additional members as needed to fill the 5 goals. A motion was made by Mark Nuaimi and seconded by Pastor Paul Jones.
