Will be having an election to see who will fill their vacant positions. Board will recommend who the new Co Chairs will be by voting by hand.

Mark Nuaimi, Za Zette Scott and Marisela Manzo were all nominated. Marisela Manzo declined.

LEGISLATIVE COUNSEL'S DIGEST

AB 210, Santiago. Homeless. Homeless multidisciplinary personnel team.

Existing law authorizes counties to establish a child abuse multidisciplinary personnel team, as defined, to allow provider agencies to share confidential information in order to investigate reports of suspected child abuse or neglect or for the purpose of child welfare agencies making detention determinations, as specified.

This bill would authorize counties to also establish a homeless adult and family multidisciplinary personnel team, as defined, with the goal of facilitating the expedited identification, assessment, and linkage of homeless individuals to housing and supportive services within that county and to allow provider agencies to share confidential information, as specified, for the purpose of coordinating housing and supportive services to ensure continuity of care. The bill would require the sharing of information permitted under these provisions to be governed by protocols developed in each county, as specified, and would require each county to provide a copy of its protocols to the State Department of Social Services.

This bill would authorize the homeless adult and family multidisciplinary personnel team to designate qualified persons to be a member of the team for a particular case and would require every member who receives information or records regarding adults and families in his or her capacity as a member of the team to be under the same privacy and confidentiality obligations and subject to the same confidentiality penalties as the person disclosing or providing the information or records. The bill would also require the information or records to be maintained in a manner that ensures the maximum protection of privacy and confidentiality rights.
