PROGRAM INFORMATION

Agency Name: **Inland Counties Legal Services, Inc.**

Type	0 days	1-3 days	4-6 days	7-10 days	11+ days	Average
Entry Timeliness	13	2	3	3	10	12
Exit Timeliness	21	0	0	0	0	0

This report calculates the difference between the program entry date specified for the client and the date the client's application was entered into the system. For example, if a client's Program Entry date of "April 4, 2016" was recorded on "April 9, 2016," then the report would calculate a 5-day lag time in recording data. The report groups the number of applications by program and has 5 buckets for the number of days an application has been lagging.

HUD Policy: Data entry should be current within 2 business days of intake, exit, and service provision.
