FROM: Jessica Alexander, Vice Chair , Interagency Council on Homelessness

SUBJECT: Resolution to Continue to Participate in Public Meetings via Teleconference

DATE: November 10, 2021

RECOMMENDATION

Adopt Resolution finding that meeting in person continues to presents an imminent risk to the health or safety of attendees as a result of the COVID-19 State of Emergency as required by Assembly Bill 361, in order to continue meeting under its provisions.

BACKGROUND INFORMATION

On March 4, 2020, the Governor proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19. On March 17, 2020, the Governor issued Executive Order N-29-20, which, in part, suspended certain provisions of the Ralph M. Brown Act (Brown Act) related to participation in meetings via teleconference in order to provide legislative bodies with more flexibility to hold public meetings while maintaining social distancing due to COVID-19. On June 11, 2021, the Governor issued Executive Order N-08-21 which, in part, provides that the teleconferencing provisions set forth in Executive Order N-29-20 expire on September 30, 2021. On September 16, 2021, the Governor signed Assembly Bill 361 into law, amending the Brown Act in order to continue some of the teleconferencing flexibility during a State of Emergency.

On October 13, 2021, in accordance with Assembly Bill 361, in light of the proclaimed State of Emergency, the Interagency Council on Homelessness determined by majority vote that meeting in person would present an imminent risk to the health and safety of attendees due to the unique characteristics of the size and capacity of its meeting facilities, the anticipated number of attendees, and the likely inability to socially distance.

In order to continue to meet under the provisions of Assembly Bill 361, this Agenda Item presents a new Resolution to consider making the findings required by Assembly Bill 361.

INTERAGENCY COUNCIL ON HOMELESSNESS

RESOLUTION NO. 2021 - _____

A RESOLUTION OF THE INTERAGENCY COUNCIL ON HOMELESSNESS
FINDING THAT MEETING IN PERSON CONTINUES TO PRESENT AN IMMINENT RISK
TO THE HEALTH OR SAFETY OF ATTENDEES
AS A RESULT OF THE COVID-19 STATE OF EMERGENCY

WHEREAS, on March 4, 2020, the Governor proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS, on March 17, 2020, the Governor issued Executive Order N-29-20, under the provisions of Government Code section 8571, finding that strict compliance with various statutes and regulations specified in that order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of COVID-19; and

WHEREAS, Executive Order N-29-20, in part, suspended certain provisions of the Ralph M. Brown Act (Brown Act) related to participation in meetings via teleconference in order to provide legislative bodies with more flexibility to hold public meetings while maintaining social distancing due to COVID-19; and

WHEREAS, on June 11, 2021, the Governor issued Executive Order N-08-21 which, in part, provides that the teleconferencing provisions set forth in Executive Order N-29-20 expire on September 30, 2021; and

WHEREAS, on September 16, 2021, the Governor signed Assembly Bill 361 into law, amending the Brown Act in order to continue some of the teleconferencing flexibility during a State of Emergency following the expiration of Executive Order N-29-20 on September 30, 2021; and

WHEREAS, in order to utilize the teleconferencing provisions of Assembly Bill 361, there must be a proclaimed State of Emergency and either: (1) social distancing measures recommended by State or local officials, or (2) the legislative body determines by majority vote that meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, there is currently a State of Emergency in California pursuant to the Governor's March 4, 2020, proclamation; and

WHEREAS, California Department of Public Health (CDPH) and the federal Centers for Disease Control and Prevention (CDC) caution that the Delta variant of COVID-19, currently the dominant strain of COVID-19 in the country, is more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others resulting in rapid increases of COVID-19 cases and hospitalizations (<https://www.cdc.gov/coronavirus/2019Tncov/variants/deltaTvariant.html>); and

WHEREAS, the CDC has established a "Community Transmission" metric with 4 tiers designed to reflect a community's COVID-19 case rate and percent positivity; and

WHEREAS, San Bernardino County currently has a Community Transmission metric of “high”; and

WHEREAS, due to the seriousness of the current pandemic situation, the CDC and CDPH recommend that all persons, regardless of vaccination status, wear facial coverings indoors; and

WHEREAS, due to the ongoing State of Emergency and the public health threat posed by COVID-19, the Interagency Council on Homelessness seeks to make findings, as required by Assembly Bill 361, that as a result of the COVID-19 State of Emergency, the highly contagious Delta variant of COVID-19, the anticipated number of attendees, the likely inability to socially distance, and due to the unique characteristics of the size and capacity of its meeting location, meeting in person continues to present an imminent risk to the health or safety of meeting attendees; and

WHEREAS, the circumstances of the State of Emergency continue to directly impact the ability of the members of the legislative body and members of the public to meet safely in person at the meeting facilities of the Interagency Council on Homelessness; and

WHEREAS, in the interest of public health and safety, as affected by the emergency caused by the spread of COVID-19, the Interagency Council on Homelessness thus intends to invoke the provisions of Assembly Bill 361 related to teleconferencing as provided in subdivision (e) of Government Code section 54953; and

NOW, THEREFORE, BE IT RESOLVED, by the Interagency Council on Homelessness, as follows:

Section 1. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

Section 2. The Governor’s State of Emergency Declaration, issued on March 4, 2020, remains active.

Section 3. As a result of the March 4, 2020, State of Emergency, and the highly contagious Delta variant of COVID-19, meeting in person at the meeting facilities of the Interagency Council on Homelessness continues to present an imminent risk to the health or safety of attendees due to the unique characteristics of the size and capacity of its meeting facilities, the anticipated number of attendees, and the likely inability to socially distance.

Section 4. This Resolution and the findings contained herein shall apply to all the committees of the Interagency Council on Homelessness that are subject to the Brown Act.

Section 5. This Resolution shall take effect immediately upon its adoption and shall be effective until the earlier of (i) thirty (30) days after the adoption of this Resolution, or (ii) such time the Interagency Council on Homelessness adopts a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the Interagency Council on Homelessness and its committees subject to the Brown Act may continue to teleconference in compliance with subdivision (e) of Section 54953 of the Government Code.

DRAFT

DRAFT

DRAFT

FROM: HPN Regional Representatives

SUBJECT: Recommendations for the regional distribution of the CoC Allocation of Round 2 funding for the Homeless Housing, Assistance and Prevention (HHAP) program.

DATE: November 10, 2021

RECOMMENDATION

Approve the regional distribution of the \$1,453,114 in Round 2 Homeless Housing, Assistance and Prevention (HHAP) program funding allocated to the San Bernardino City & County CoC and authorize the Office of Homeless Services to implement the funding application process.

BACKGROUND INFORMATION

On November 13, 2020, the State of California Homeless Coordinating and Financing Council (HCFC) released a Notice of Funding Availability of Homeless Housing, Assistance and Prevention (HHAP) Program Round 2 grant funding. HHAP Round 2 is a \$300 million block grant program authorized by AB 83 (Committee on Budget, Chapter 15, Statutes of 2020), which was signed into law by Governor Gavin Newsom on June 29, 2020.

The State has allocated \$1,453,114 in HHAP 2 funding to the San Bernardino City & County CoC and \$1,300,625 to the County of San Bernardino.

HHAP Round 2 is designed to build on regional coordination developed through previous rounds of HCFC Homeless Emergency Aid Program (HEAP), HHAP, and COVID-19 funding. Round 2 funds should be used to continue to build regional coordination and a unified regional response to reduce and end homelessness focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing.

HHAP Round 2 requires grantees to expend funds on evidence-based solutions informed by a best practice framework that prevent, reduce, and end homelessness. Grantees may not use HHAP grant funding to supplant existing local funds for homeless housing, assistance, or prevention, and funds must be expended in compliance with Housing First requirements per Health and Safety Code (HSC) Section 50220.5(g).

As stated in California Health and Safety Code Section 50220.5 (d), HHAP round 2 funds must be expended on one or more of the following eligible uses:

Members of the Interagency Council on Homelessness

Members of the Board of Supervisors
City of Victorville
Housing Authority of the County of San Bernardino
San Bernardino Law and Justice Group
San Bernardino County Superintendent of Schools

City of Rancho Cucamonga
Town of Yucca Valley

1. Rapid rehousing, including rental subsidies and incentives to landlords, such as security deposits and holding fees.
2. Operating subsidies in new and existing affordable or supportive housing units, emergency shelters, non-congregant shelters, interim or bridge housing, and navigation centers. Operating subsidies may include operating reserves.
3. Street outreach to assist persons experiencing homelessness to access permanent housing and services.
4. Services coordination, which may include access to workforce, education, and training programs, or other services needed to promote housing stability in supportive housing.
5. Systems support for activities necessary to create regional partnerships and maintain a homeless services and housing delivery system, particularly for vulnerable populations including families and homeless youth.
6. Delivery of permanent housing and innovative solutions, such as hotel and motel conversions.
7. Prevention and shelter diversion including crisis resolution, mediation and conflict resolution, creative problem solving, connection to mainstream resources, and light-touch financial assistance that directly results in a housing solution.
8. New navigation centers and emergency shelters, with clients obtaining housing as the primary goal, based on demonstrated need in consideration of the following:
 - a. The number of available shelter beds in the city, county, or region served by a continuum of care;
 - b. The number of people experiencing unsheltered homelessness in the homeless point-in-time count;
 - c. Shelter vacancy rate in the summer and winter months;
 - d. Percentage of exits from emergency shelters to permanent housing solutions; and
 - e. A plan to connect residents to permanent housing.

In addition, HSC Section 50218.5(f) requires that a program recipient use at least 8 percent of its allocation for services for homeless youth populations, which are defined as unaccompanied youth who are between 12 and 24 years old and experiencing homelessness. Furthermore, HSC Section 50220.5(e)-(f) allows funds to be spent for the following additional purposes, and mandates that grantees comply with the following restrictions:

- No more than 5 percent of an applicant's program allocation may be expended on a strategic homelessness plan and/or infrastructure development to support coordinated entry systems and Homeless Management Information Systems; and
- No more than 7 percent of an applicant's Round 2 program allocation may be expended on administrative costs incurred by the city, county, or continuum of care to administer its program allocation.

In January 2021, the Office of Homeless Services (OHS) submitted the HHAP-2 Application on behalf of the CoC and received official notification of the funding award in May 2021. The HHAP-2 application narrative included the following information in regards to the CoC spending plan for HHAP funding –

“As a result of recent funding received to the County and CoC from the State, the CoC and its partners developed a Multi-Jurisdictional Homelessness Action Plan that called for the creation of service planning areas within the CoC to promote regional planning. This resulted in the formation of five regional steering committees...that will provide recommendations for how the funding is distributed.” “The current Multi-Jurisdictional Homelessness Action Plan was developed primarily to respond to the HHAP-1 funding, as well as lessons learned from the original HEAP funding. The intent of the document was to build a strategy based on the HHAP funding and continue those efforts for future funding opportunities.”

“CoC HHAP-1 funding was distributed to each region based on the 2019 Point-In-Time Count percentages for each district” (following a minimum allocation of \$200,000 per region). “Each region developed their own focus for prioritization of services/funding based on identified regional needs.”

In order to build upon the Multi-Jurisdictional Homelessness Action Plan strategy, it is recommended that the ICH approve the following regional distribution of HHAP-2 funding -

CoC HHAP-2 Funds	\$1,453,114
Youth 8%	\$116,249.12
Admin 7%	\$101,717.98
CES 5%	\$72,655.70
	\$290,622.80
balance	\$1,162,491.20
Minimum per region	\$75,000
2020 PITC allocations	
Central Valley (59%)	\$539,619.81
Desert (22%)	\$248,248.06
East Valley (7%)	\$130,124.38
Mountain (2%)	\$90,749.83
West Valley (10%)	\$153,749.12
	\$1,162,491.20

Regional Steering Committees will be charged with reviewing regional proposals and making recommendations for HHAP-2 project funding based on the “Prioritized Investments and Uses of Resources” outlined in the San Bernardino County Homeless Partnership Local Investment Plan to be adopted by the ICH in January 2022.
