The Family Assistance Program's Youth Advisory Board puts youth and young adults in leadership roles with the support from Family Assistance Program and other adult partner agencies serving youth and young adults experiencing homelessness. We will identify and address the intersectional policies, regulations, strategies and challenges that youth experiencing homelessness face. This YAB is created to strengthen support around their defined issues, and will act as a collaborative to strengthen the voice of young people on a local, regional, statewide and national level while building a shared vision and understanding of youth homelessness.
